# RECLAIM YOUR LIFE CLASSES

## 6 *fun friendly sessions* THAT CAN CHANGE YOUR LIFE

Your life is more important than your illness.

Would you like it back? It's all about understanding one truth: you are bigger than your problems. Which means they needn't stop you doing things, experiencing things, loving, laughing, tasting and living life. What you do is make changes to the way you think and act, creating a new relationship between your illness and yourself that separates who you are from what you've got.

With the help of a little book and supportive guidance at each session, participants learn how to improve their feelings when they feel ground down, frustrated or hopeless and will learn skills that help them tackle problems in their lives.

**They will also meet others and have a lot of fun!**
